Ignitia (Faith-based curriculum)

Ignitia Virtual Academy offers engaging online courses for grades 3–12, featuring rich multimedia content and interactive lessons that support independent learning. Students can access the full curriculum anytime through our virtual classroom, allowing them to complete coursework at their own pace, on a schedule that works for them.

Ignitia Virtual Academy is accredited by Cognia—the same organization that accredits public schools—and is recognized by schools and colleges nationwide.

Following an extensive review, the National Collegiate Athletic Association (NCAA) approved our instructional model and curriculum in core subjects and world languages, making our school a trusted option for online instruction of student athletes.

Ignitia Virtual Academy (pronounced IG-NIH-SHA) is a nationally accredited online Christian school serving students in grades 3–12. We offer certified teachers, academic support services, and a Bible-based curriculum aligned with state and national standards.
